

The Dacor logo is rendered in a bold, italicized, sans-serif font. The letters are black and have a slight shadow effect, giving them a three-dimensional appearance. A registered trademark symbol (®) is located at the end of the word.

dacor.

Family-Owned. American-Made.

The background of the top half of the page is a faded, high-quality photograph of a professional kitchen. In the center is a stainless steel Dacor gas range with six burners and two ovens. To the left of the range, there are various kitchen items on a counter, including a bottle of oil, a bowl, and some vegetables. To the right, there is a wooden cutting board and a basket of bread. The overall lighting is warm and professional.

NOTE:

Some models may require you to replace the burner rings as a set. Please read;

Revision level was changed from 'J' to 'K' on SGM304, SGM364, SGM365, SGM466 and from 'B' to 'C' on SGM464GG. Start date , December 1, 2003. old p/n 62938 - Ring Set, SGM304/364/464 was replaced with p/n 72929 - Ring Set, old p/n 62935 - Ring Set, SGM365 was replaced with p/n 62479 - Ring Set, old p/n 62937 - Ring Set, SGM466 was replaced with p/n 82968 - Ring Set.

ATTENTION!

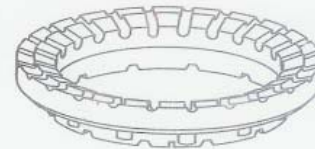

The igniters in this kit are not compatible with burner rings that have holes on the rim. For these igniters to work properly, the unit must be equipped with burner rings that do not have holes on the rim (see diagram below).

Dacor recommends that all igniters be replaced at the same time.

Burner Ring with Holes on Rim
Replace with a burner ring that does not have holes on rim.

Burner Ring with **NO** Holes on Rim
OK to use with these igniters.

If replacements are required, order the rings according to the chart on the back side of this sheet.

IMPORTANT!

**READ THE INSTRUCTIONS ON THE OPPOSITE SIDE
BEFORE INSTALLING THE IGNITERS IN THIS PACKAGE.**
